

## POSEY COUNTY ELECTION BOARD ENCOURAGES ABSENTEE VOTING

The Posey County Election Board firmly believes that all voters in the county have the right to vote and wants to make every effort possible in providing that opportunity without fear for their safety. The COVID-19 virus certainly has created an unprecedented dynamic to the election process this year; therefore several changes have been made for this year's Primary Election.

Election Day has been moved to June 2<sup>nd</sup>, 2020 providing additional time for the state and counties to put necessary processes in place. Also, in an effort to eliminate the threat of exposure of the virus to our voters, the Indiana Election Division and Posey County Election Board encourages **EVERYONE** to vote absentee for the Primary Election this year. For this election only, **ANYONE** is eligible to vote absentee by mail and can request an absentee application by calling (812) 838-1339 or visiting indianavoters.com as soon as possible. Completed applications must be received in the Election Office for processing by May 21st.

For our voters who still desire to vote in person, the Election Board is taking every precaution possible to minimize the risk of infection. The Election staff and poll workers will sanitize the voting & polling equipment after each voter, wear masks, wash their hands, use hand sanitizer, and emphasize social distancing to give voters a safe environment to vote.

Posey County is now a Vote Center county! That means that voters can now vote at **ANY** of 10 polling locations they want to on Election Day.
