Child/Maternal Support Program

offered in

POSEY COUNTY

Our team, consisting of quality licensed professionals will provide home visits, connect families to resources, conduct car seat checks, and offer many other services. The goal of this program is to support the healthy growth and development of the baby, while also promoting maternal health and strengthening the bond between mother and child. **Anyone can enroll at any time during pregnancy or after.**

This program is designed to support families during pregnancy and until baby is 1 year old.

FOR QUESTIONS, CALL 812-781-0330

After enrolling into the program, you can earn many incentives such as a free sleep sack, pack n play, vouchers, car seat and more.
